

Product Parameters

Open type C split hydraulic electric cable cutter
armored copper and aluminum cable cutter
CPC-65C

1. Could cut Cu-Al cable/armored cable.
2. C type cutting head.
3. Large cutting range, light weight,easy operation.
4. It could work with the hydraulic pump.

Model	CPC-65C	Length	430mm
Output	60KN	Weigth	approx.4.2Kg
Cutting Range	Cu-Al armored cable≤φ65mm		

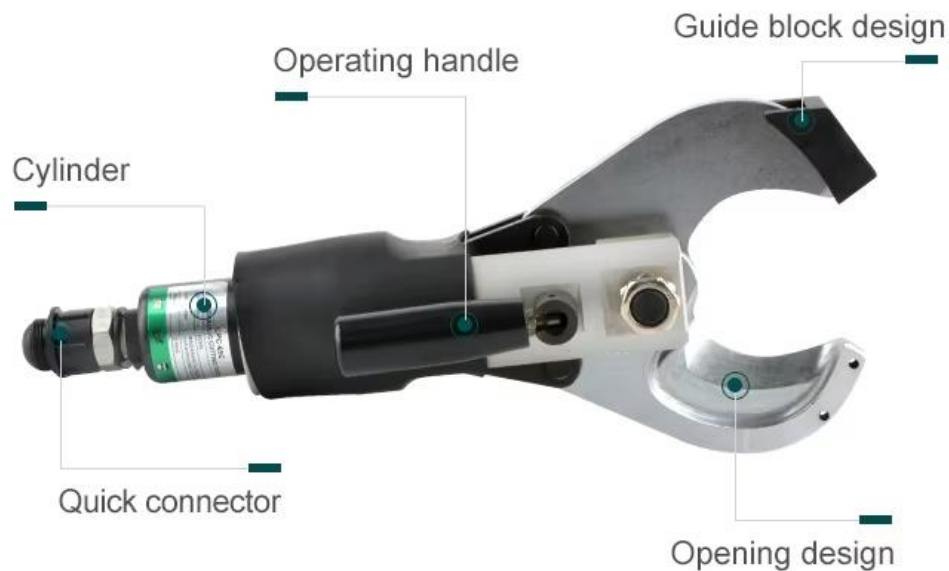

Product Size

Unit: Millimeter (mm)

Product Detail

**01**

C type cutting head

Easy to take and cut sharp and fast

Humanized handle

Comfortable grip design
more relaxed and labor-saving for long-term use

02**03**

Quick connector

It is easy to connect with pumps by quick connectors.
Both manual and electric hydraulic pumps can be used.
