

PZ-300 PZ-400

Battery Crimping Tools

The PZ-300 and PZ-400 are battery-hydraulic crimping tools for 16–400 mm² cables, offering fast, powerful, and precise crimps for professional electrical use.

Characteristics:

- ✓ Powerful 18V Li-ion battery for long operation
- ✓ Delivers high crimping force with precision
- ✓ Durable body for heavy-duty use
- ✓ Quick, maintenance-free performance
