

QQ-700

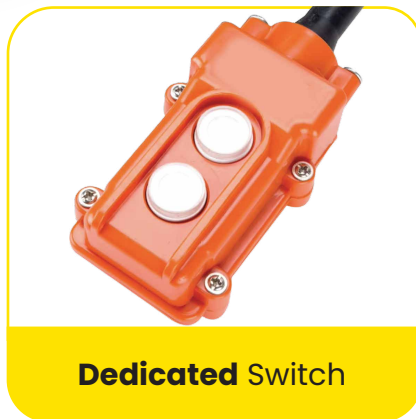

Portable Electric Hydraulic Pump

Portable QQ-700 electric hydraulic pump delivering powerful 700 bar pressure, precise control, and reliable performance for cutting, pressing, and lifting applications.

Characteristics:

- High Pressure 700 Bar Output ✓
- Portable Electric Hydraulic Pump ✓
- Industrial Grade Construction ✓
- One-Touch Hydraulic Operation ✓

Can be used with:

Hydraulic
Jack

Hydraulic
Puller

Flange
Spreader

Split Hydraulic
Clamp

Hydraulic
Cutter

Hydraulic
Puncher

Model	QQ-700
Pump System	Single Acting Solenoid Valve
Power	1200W 220V (1 Phase)
Working Pressure	700 Bar / 10000 psi / 70 MPa
Flow Rate	0.5-4 L/min
Oil Capacity	3.5 L (Usable 2.5 L)
Recommended Oil Grade	ISO VG #15-32 Antiwear
Retain Pressure	Yes
Connection	Male Coupler 3/8" ZG
Hose	2M 700 Bar 3/8" Hydraulic Hose
